DECLARATION AND SIGNATURE

I declare that all information provided is true and complete, that all tickets and supporting documents are genuine, unaltered, and relate to my travel for this project, and that these expenses have not been and will not be reimbursed from any other source.

1. **Authenticity of documents:** If any document is found to be forged, falsified, Photoshopped, digitally manipulated, or otherwise intentionally altered, I understand that IJBK reserves the right to cancel my entire reimbursement.
2. **Data processing:** I authorize IJBK to use the provided details to process my reimbursement.
3. **Deadline and incomplete claims:** The claim and all required supporting documents must be submitted within 15 days of the last day of the activity. Claims submitted after this deadline cannot be reimbursed. If required documents are missing, IJBK will contact the participant once by email. If the missing documents are not provided within 14 days of that email, the claim will be closed.
4. **Reimbursement ceiling and actual costs:** Reimbursement is limited to the applicable Erasmus+ distance-band amount based on the participant's city of departure and only covers actual costs supported by the attached tickets, invoices, receipts, and other required evidence. Higher actual costs may be declared in full, but reimbursement will not exceed the applicable ceiling, and any amount above it is borne by the participant. In special cases, additional travel costs may be reimbursed by the organiser.
5. **Payment conditions:** Payment will be made only after (a) the participant's full attendance at the activity has been confirmed and (b) the agreed dissemination activities have been completed and validated by IJBK. The transfer will normally be made within two weeks of such validation.
6. **Transfer:** Reimbursement will be made by SEPA transfer in EUR to the bank account stated in the claim. Any charges imposed by the receiving bank are borne by the participant.
